What's in this Reference Guide?

This reference guide is meant to be a handy reference tool for the grammar stage programs by Elemental Science. It contains all the vocabulary terms for all four programs in one easy to use glossary. It also contains all the memory work suggested in the four grammar stage teacher's guides.

Who is this Reference Guide for?

This guide is meant for your student to use as they complete their vocabulary assignments. It's also meant for the student to use as they work on memorizing the memory work selections.
